

IPFS TotalPay[®] allows you to offer multiple insurance quotes to your customer, providing the ability to decide how they would like to pay for their insurance by choosing to pay installments or pay the premium in full.

Payment Options

Select IPFS TotalPay[®] to offer pay in full or premium finance.

Insured Email (required field) – will pre-populate if included in the insured address.

Choose **Insured selects payment type**.

Decide who will email the insured.

- **IPFS will email the insured** – IPFS emails the insured a link to the TotalPay Payment Portal.
- **I will email the insured** – a popup provides the URL to copy or option to email the URL.

Drag quote options (copies), if available, into the Batch, providing the insured more than one option.

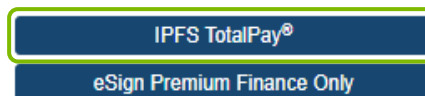

- Choose **▶** to view additional information.

Agree to the representations and choose **Submit** to complete the transaction.

Funding the Markets?

The down payment funding window allows you to enter a commission prior to hitting Submit.

Commission: Enter Commission % or the Commission \$
Fund 100% of the down payment to the Agent or Market. **Save**.
